THE EAGLE IS NOW

**BLACKER
THAN EVER . . .**

EDITOR-IN-CHIEF—CAROLE BRADFORD

EDUCATION

*Negro teachers
like preachers
give us
daily features
out of their lives
and the past
never relating
but always crusading
ideas that have come and past
Then without deliberation
We copy their dictation
And hope
that these facts
we can grasp
Then one day when we've got our
B.A.
We see the real world at last
And withdraw in contemplation
at the real life situation
And say "the world is just moving
too fast".*

Eagles on the move

Football was faces and feelings. For many it was the culmination of long months of practice and preparation for that exciting first performance. It was the first play of the game. It was a sense of spirit.

IN MEMORIAM

Maurice Nelson Baylor was born in Paulsboro, New Jersey. In 1965 he received his diploma from Paulsboro Senior High School where he was active and outstanding in football and wrestling.

After graduation he entered North Carolina Central University and joined the varsity football team. In addition to being a member of Phi Beta Sigma Fraternity, he was Treasurer of Gamma Gamma Chapter.

During his senior year of his college days, he became a member of the newly formed wrestling team.

Maurice met his death in an automobile accident on January 7, 1971 after attending a basketball game.

*"Thou wilt not leave us in the dust"
Thou madest man, he knows not why;
He thinks he was not made to die;
And thou hast made him: thou art just."*

— Tennyson

He has a lot of future ahead of him. Maybe.

He's seven months old and counting on you—to hold him, love him, help him take his first step and say his first word.

You can do all these things. But, when it comes time to plan for his future, you may need some professional help.

Your North Carolina Mutual man knows what it takes to get the job done. He's an Achiever. Everyday he works with achievers like you, who want something more for their family. And their children's future.

With the right kind of planning any goal can be met. There's no maybe about it.
